Dates to Remember:

16th Nov. School Council Meeting

22nd & 23rd Barham High Transition

Another challenging week but its pleasing to hear most of our families have returned to school. Our bus service has once again been put on hold while the roads are unsafe, but will be running today and whenever it is safe to do so. Murray will update everyone when it's ok again and as a second communication chain I'll add it to Facebook for those that have it.

I've continued to complete principal duties and check in with the class daily, from home, as flood road closures continue. I thank the staff for accommodating and enabling this. If you have any queries, concerns or need support please contact the school.

Golf

Well done to the Evan and Drew yesterday when they attended the Golf competition in Bendigo. Evan coming 8th and Drew 22nd, excellent effort and great experience amongst the big golf bags.

Sustainability

Last Friday the Grade 2-6 joined Inga from Sustainability Victoria for a rubbish workshop. Hopefully, they are putting some of new recycling tips into action and Nude Food Wednesday will commence shortly as action by the Grade 5/6s.

Mosquito's

Remember to continue to protect your children with insect guard of some sort, the mosquitos will be a problem for a while.

Remembrance Day

Lastly well done to the whole school on their respectful Remembrance Day ceremony at school and for the lovely display coordinated by Jeanette.
